## Important Information

Never share your Card number, CVV/CVD/CVC, PIN, OTP, expiry date, etc. with anyone, even if the person claims to be a bank employee

## Dear Customer,

We thank you for reposing trust in us.

Welcome to a world, where convenience and security for a customer, as special as you, drives the product design and convenience. We are pleased to present to you State Bank Classic Debit Card designed to provide exceptional payment experience to you.

This Card is specially designed with the objective of providing exceptional payment convenience online and at merchant establishments in India.

Please generate your Personal Identification Number (PIN) for your Card through 5M5, internet banking, Interactive Voice Response System (IVRS) or at any State Bank ATM, by following the procedure detailed overleaf.

As soon as you generate your PIN, your Card is ready to use with this PIN at ATMs and for purchases at Merchant Establishments, whereas for online transactions, you have to first use it at one of the above mentioned channels using PIN.

Further, for your convenience and safety your Card comes with inbuilt security tool, where you can decide your own withdrawal limits, types of usage, and much more, details of which are provided overleaf. We strongly recommend you to use it, to prevent any misuse. This facility is extended free of charge.

We request you to spend few minutes going through the user guide enclosed with this Card to know more about the benefits and terms & conditions associated with it.

Wishing you a great shopping experience!

Best Wishes,

State Bank Debit Cards Team
